

Wagga Magpies Junior Rugby League Football Club

2019 Sponsorship Opportunities

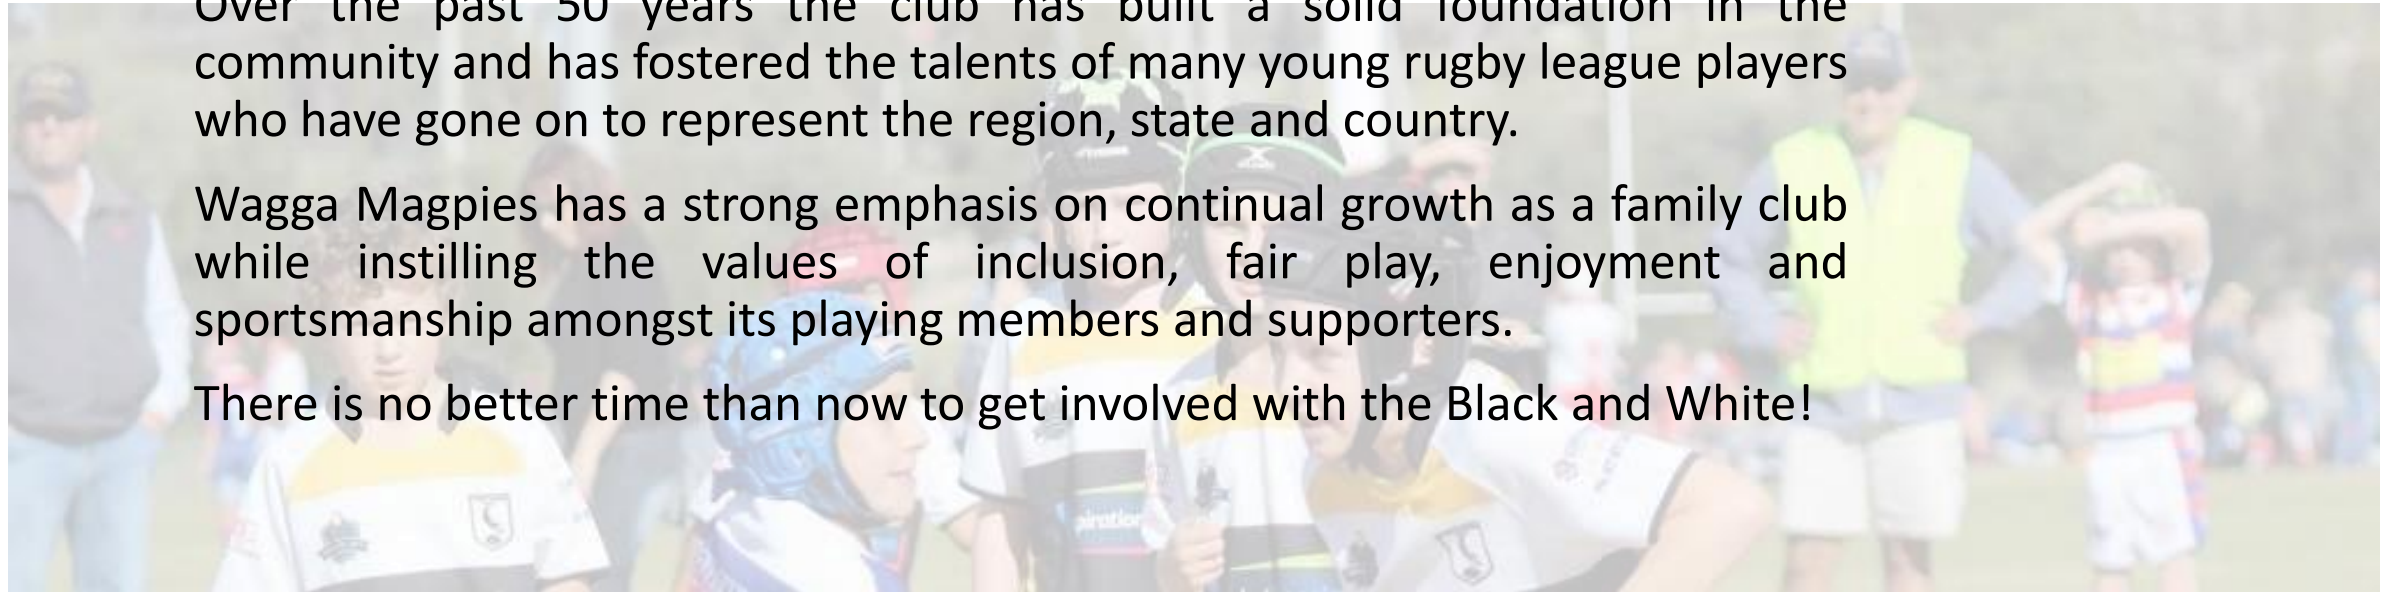

Our Club

The Wagga Magpies Junior Rugby League Club was established in 1964 by the late Ian Mortimer. The club was built from humble beginnings when Ian convened a meeting in his carport attended by a handful of parents who were also passionate about rugby league. The club has grown exponentially in the past 50 years from two teams to now having more than 200 registered players and fielding a team in all age groups across Rugby League and the ever growing League Tag.

Over the past 50 years the club has built a solid foundation in the community and has fostered the talents of many young rugby league players who have gone on to represent the region, state and country.

Wagga Magpies has a strong emphasis on continual growth as a family club while instilling the values of inclusion, fair play, enjoyment and sportsmanship amongst its playing members and supporters.

There is no better time than now to get involved with the Black and White!
